

Shearing clippers for horses and sheep

Shearing clipper "Ovis" EG 701 The new Eider sheep shearing clippers

Item no. 7701-000

- sheep shearing clippers with a wide clipper head
- high performance clipper for simple, clean and fast shearing
- optimal shearing performance
- powerful yet quiet motor
- complete with clipper blades S3 (Item no. 7517-000 => upper blade 4 teeth – lower blade 13 teeth)
- optimal ventilation
- low maintenance through self-lubricating bearing bushes
- low weight (only 1.4 kg)
- powerful motor with 330 Watt input, 200 Watt output power
- clipper head fully exchangeable for horse clipper head
- ergonomic design (comfortable and secure to grip)
- simple cleaning
- supplied in a practical and robust plastic case, incl. accessories
- CE certified

Shearing clipper "Equus" EG 718 The new Eider horse clippers

Item no. 7718-000

- high performance clipper for simple, clean and fast clipping
- optimal clipping performance
- powerful yet quiet motor
- complete with clipper blades R5 (Item no. 0521-000 => upper blade 17 teeth – lower blade 24 teeth)
- optimal ventilation
- low maintenance through self-lubricating bearing bushes
- low weight (only 1.4 kg)
- powerful motor with 330 Watt input, 200 Watt output power
- Clipper head fully exchangeable for sheep clipper head
- ergonomic design (comfortable and secure to grip)
- simple cleaning
- supplied in a practical and robust plastic case, incl. accessories
- CE certified

Item no.	Designation	Model	Supply voltage	Motor power (input)	Motor power (output)	Double strokes per minute	Cord length	Sound pressure level	Weight (w/o cord)
7701-000	Shearing clipper EG 701	Ovis	230-240 Volt - 50 Hz	300 Watt	200 Watt	2 800	5 m	83 dB	1.4 kg
7718-000	Shearing clipper EG 718	Equus	230-240 Volt - 50 Hz	300 Watt	200 Watt	2 800	5 m	83 dB	1.4 kg

Infrared globes / Infrared lamps 150 Watt and 250 Watt

Infrared lamp EIDER 150 Watt - 240 Volt

Item no. 1403-000

- top quality
- robust and durable
- 240 Volt version
- toughened glass version
- resists splash water
- all-purpose
- E27 base
- base and glass bulb are solidly screwed together and bonded
- Packaging unit: 20 / box

Infrared lamp EIDER 250 Watt - 240 Volt

Item no. 1404-000

- top quality
- robust and durable
- 240 Volt version
- toughened glass version
- resists splash water
- all-purpose
- E27 base
- base and glass bulb are solidly screwed together and bonded
- Packaging unit: 20 / box

Radiant heater / Protective cage CE version

Radiant heater / Protective cage UK version with 3-pole plug without energy save switch

Item no. 0401-072 => with 2.5 m cord
Item no. 0402-072 => with 5.0 m cord

- Made in Germany
- with 3-pole plug for the UK e.g.
- plastic parts made of non-flammable plastic
- stable, compact design
- wide radiating effect
- with heat radiating ring
- aluminium protective cage, 21cm Ø
- 12 ventilation slits for optimal air circulation
- galvanised grid
- with 2 m long, galvanised knotted link chain with ceiling hook (min. 20 kg capacity)
- with silicon sealed holder
- Holder E27
- IPX 4 => splash water protected
- 230 Volt ~
- 175 Watt max.

Radiant heater / Protective cage UK version with 3-pole plug with energy save switch

Item no. 0406-072 => with 2.5 m cord
Item no. 0407-072 => with 5.0 m cord

- Made in Germany
- with 3-pole plug for the UK e.g.
- plastic parts made of non-flammable plastic
- stable, compact design
- wide radiating effect
- with heat radiating ring
- aluminium protective cage, 21cm Ø
- 12 ventilation slits for optimal air circulation
- galvanised grid
- with 2 m long, galvanised knotted link chain with ceiling hook (min. 20 kg capacity)
- energy save switch 50 % (switchable) e.g. from 175 to 90 Watt)
- with silicon sealed holder
- Holder E27
- IPX 4 => splash water protected
- 230 Volt ~
- 175 Watt max.

Item no.	Designation	Model	Cord length	Plug version	Energy save switch	Quantity per box	Quantity per pallet
0401-072	Radiant heater / Protective cage	CE version	2.5 m	UK plug (3-pole)	NO black	2	200
0402-072	Radiant heater / Protective cage	CE version	5.0 m	UK plug (3-pole)	NO black	2	200
0406-072	Radiant heater / Protective cage	CE version	2.5 m	UK plug (3-pole)	YES	2	200
0407-072	Radiant heater / Protective cage	CE version	5.0 m	UK plug (3-pole)	YES	2	200

Radiant heater / Protective cage CE version

Radiant heater / Protective cage with 3-pole CEE plug (blue) without energy save switch

Item no. 0401-725 => with 2.5 m cord
Item no. 0402-725 => with 5.0 m cord

- Made in Germany
- with 3-pole CEE plug for Denmark e.g.
- plastic parts made of non-flammable plastic
- stable, compact design
- wide radiating effect
- with heat radiating ring
- aluminium protective cage, 21cm Ø
- 12 ventilation slits for optimal air circulation
- galvanised grid
- with 2 m long, galvanised knotted link chain with ceiling hook (min. 20 kg capacity)
- with silicon sealed holder
- Holder E27
- IPX 4 => splash water protected
- 230 Volt ~
- 175 Watt max.

Radiant heater / Protective cage with 3-pole CEE plug (blue) with energy save switch

Item no. 0406-725 => with 2.5 m cord
Item no. 0407-725 => with 5.0 m cord

- Made in Germany
- with 3-pole CEE plug for Denmark e.g.
- plastic parts made of non-flammable plastic
- stable, compact design
- wide radiating effect
- with heat radiating ring
- aluminium protective cage, 21cm Ø
- 12 ventilation slits for optimal air circulation
- galvanised grid
- with 2 m long, galvanised knotted link chain with ceiling hook (min. 20 kg capacity)
- energy save switch 50% (switchable e.g. from 175 to 90 Watt)
- with silicon sealed holder
- Holder E27
- IPX 4 => splash water protected
- 230 Volt ~
- 175 Watt max.

Item no.	Designation	Model	Cord length	Plug version	Energy save switch	Quantity per box	Quantity per pallet
0401-725	Radiant heater / Protective cage	CE version	2.5 m	CEE plug blue (3-pole)	NO black	2	200
0402-725	Radiant heater / Protective cage	CE version	5.0 m	CEE plug blue (3-pole)	NO black	2	200
0406-725	Radiant heater / Protective cage	CE version	2.5 m	CEE plug blue (3-pole)	YES	2	200
0407-725	Radiant heater / Protective cage	CE version	5.0 m	CEE plug blue (3-pole)	YES	2	200

Stand-off insulator "Plastic eye, large"

- the new stand-off insulator for all ropes and wide tapes -

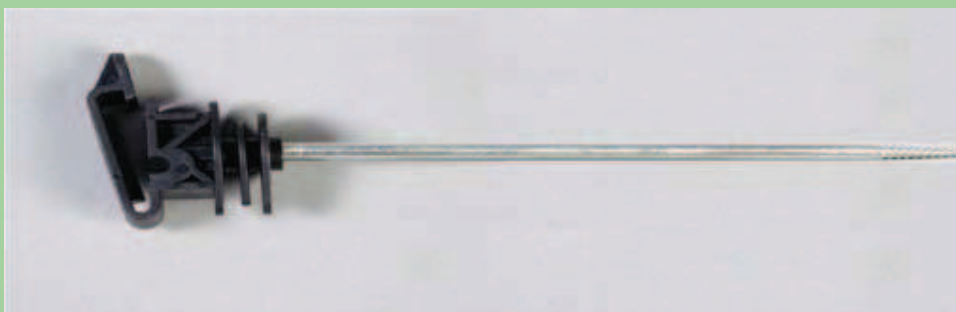

Item no. 0357-008
at 25 pieces / box

- for nailing into wooden posts
- with 200 mm long, partially clad, galvanised support
- large, plastic coated plastic eye
- suitable for all conventional ropes and wide tapes
- excellent insulating properties
- plastic coating made of UV resistant and impact resistant plastic
- colour of coating: white
- Dimensions:
 - a = 210 mm
 - b = 65 mm
 - c = 53 mm

Stand-off insulator "Top" 220 mm long

- the "long" stand-off insulator for ropes and wide tapes -

Item no. 1628-001
at 10 pieces / bag

- EIDER version
- with 220 mm long support
- for wide tape up to 40 mm
- cut thread (for wood)
- galvanised support
- high voltage reinforced
- made of impact resistant plastic
- colour: black

Rope and electric fencing accessories & Plastic and electric fencing cord accessories

Rope and cord connector
"Simplex", galvanised

- for 3 mm Ø - 8 mm Ø
 Item no. 0353-000 => 3 mm
 Item no. 0356-000 => 6 mm
 Item no. 0358-000 => 8 mm
 - galvanised version
 - fast and secure connection
 - easy to handle

Rope and cord connector
"Simplex", stainless steel

- for 3 mm Ø - 8 mm Ø
 Item no. 0373-000 => 3 mm
 Item no. 0376-000 => 6 mm
 Item no. 0378-000 => 8 mm
 - stainless steel version
 - fast and secure connection
 - easy to handle

Gate handle insulator & earthing switch

Gate handle insulator – triple

Item no. 0597-001
 black, at 10 pieces / bag

- with 3 holes for attaching 3 gate handles e.g.
- with galvanised fastening plate
- sturdy version
- easy to handle

Earthing switch / fence switch

Item no. 1138-000

- change-over switch or On/Off switch for electric fences
- for operating 2 separate electric fences
- suitable for mains powered energisers
- 4 selectable switching positions:
 0=Off - I=fence1 only - II=fence2 only - I+II=fence 1 + fence 2 together
